

About us.....

Officially opening in 1994, ten years after the first ever meeting of our determined "salties" the Port Douglas Yacht Club now sits on 10,000sq meters of land on the Dicksons Inlet, and includes a Hard Stand facility, the adjoining Closehaven Marina, and an indoor/outdoor clubhouse featuring the bar and restaurant.

As well as the bar and restaurant, Port Douglas Yacht Club provides other facilities for the cruising sailor, members or visitors to the area. Clean showers and toilets are on site. A fully equipped laundry with washing machines, dryers, tubs and ironing equipment is also available.

There is a Hard Stand area on site. Here you can securely bring your boat out of the water to do some maintenance or just for storage.

The Hard Stand is for use of full financial members only. There is dinghy storage, ample parking and a private ramp to access Dickson Inlet.

Port Douglas Yacht Club is the ideal venue for a range of occasions. Weddings, birthdays, staff parties and the like enjoy a tropical backdrop unlike most others. Palms are silhouetted against a tropical sky with a foreground of yachts gently bobbing in the calm waters below. The venue will comfortably seat 250 people.

Welcome to the Yachty

Port Douglas Yacht Club is a unique venue boasting a relaxed and stress free environment for the pleasure of members and guests.

Enjoy the hospitality of far north Queensland's favourite waterfront bar, home of the world famous Clipper Cup and an icon of the Douglas region.

Choose from an extensive range of Australian and imported beers and wines, pull up a seat with the locals, and take in the amazing waterside scenery.

A timeless reminder of the exuberance and charm of a tropical sailing community.
